

The Busy Beacons Team

Upon our return this week, we have welcomed two new members of staff to Busy Beacons:

- Uzma is a Level 3 qualified nursery practitioner, who has experience working in a day nursery and preschool and will be joining Danielle and Tazkiya in the 2+ Room.
- Angela will be joining Aaminah for 2 weeks in the 0-2 room, and has experience in day nurseries and primary schools. She will be with us from 4th-15th November 2024.

Key workers

As the children settle back after the half term break, our priority is to ensure the children are happy and safe. Due to the recent change of staff, and the children seeing some new faces in the nursery, this transition back may be difficult for many. During this time, we are ensuring there are familiar faces to greet the children in the mornings, as they become used to the new members of staff. Over the next few weeks, we will be re-assigning Patricia's key children, once a new and permanent member of staff has joined Busy Beacons on 18th November 2024. We appreciate your patience and understanding during this time.

Works to Woodford Bridge Road

Over the half term, the contractors begun building works in the entrance off Woodford Bridge Road. The area leading from the entrance gate to the nursery building will become a car park to support parents with drop offs and collections. These works are due to be completed in 2-3 weeks, and will mean that unfortunately, this entrance will be out of use until the works are complete. Please use the entrance inside the school, which is located on the right-hand side, as you enter, past the media block, and the door is straight ahead. If another parent is dropping off or collecting, please advise that they must buzz at the Beal High School main gate and a member of staff in the main Reception will let them through. Apologies for any inconvenience caused during this time.
